

### Clarification of the time for RFP opening

Reference: (IUL)433-AFI/433/2022/5

It has come to our attention that there are two different times indicated on the gazetted announcement for the RFP opening on 14 June 2022.

The time mentioned within the Dhivehi section is a mistake. The correct time is indicated within the English section. That is 14:00 hours on 14 June 2022.

We hope that this notice serves to clarify the time for all interested parties.
